

# CCG ADVISORS ACTS AS THE EXCLUSIVE FINANCIAL ADVISOR TO MARIANI LANDSCAPE ON ITS PARTNERSHIP WITH CI CAPITAL PARTNERS

CCG Advisors (“CCG”) announced today that it served as the exclusive financial advisor to Mariani Landscape (“Mariani”) in its recapitalization by CI Capital Partners (“CI Capital”). Bryan Donlin led the transaction for CCG and was responsible for the initial thesis on consolidation of the estate gardening segment of the landscape industry.

“There was no question in our minds that Mariani is clearly the most well-known and respected platform company in high-end residential landscape services and thus the perfect place to begin the consolidation of the sector. We are thrilled to have assisted Frank, his incredibly talented team and several of the companies acquired to date” said CCG Founder & Managing Partner Brian Corbett.

CCG advised on the following companies which have been acquired by Mariani since CI Capital’s initial investment in December 2020:

- Rocco Fiore & Sons *Chicago, IL*
- Woodlawns Landscape Company *Chicago, IL*
- Berghoff Design Group / BDG Maintenance *Phoenix, AZ*
- Designs by Sundown *Denver, CO*
- Hoffman Landscapes *Fairfield, CT*
- NatureWorks Landscape Services *Boston, MA*
- RP Marzilli *Boston, MA*

CCG is an Atlanta-based M&A firm. Since its founding in 1997, CCG has served as trusted advisor to the “Green Industry” and has an unrivaled 25-year history in landscape M&A. CCG’s combination of deep industry knowledge, strong buyer relationships, and extensive transaction experience ensures clients receive maximum value. In addition to landscape, CCG has worked with companies across all other green industry sub-sectors, including tree care, lawn care, vegetation management, exterior pest control, and snow & ice management.
