

## Our Atlanta Office has Moved

**August 1, 2023**

CCG Advisors, a leading investment banking firm dedicated to the middle-market, is pleased to announce the relocation of its Atlanta office to accommodate the firm's growing team.

Positioned at the intersection of Peachtree Road and West Paces Ferry in the heart of Atlanta's Buckhead community, CCG's new office is on the twelfth floor of Tower One in Buckhead Plaza.

"We are extremely excited to begin the next chapter of CCG in a development that means so much to our city and our firm. Some twenty-six years ago, we held our very first closing dinner next door at the venerable CHOPS restaurant, so this feels like coming home to us," shared Brian Corbett, CCG's Founder & Managing Partner. "We've been blessed to grow our team and the firm over the last few decades and are proud to now call one of Atlanta's premier buildings home."

Since 1997, CCG Advisors has been a trusted advisor to entrepreneur, family and private equity-owned companies. CCG harnesses the powerful combination of individual attention and extensive experience to provide our clients with relationship-based service of the highest caliber. Our firm is built upon relationships with people rather than on transactions with customers.

The new Atlanta office address for CCG Advisors is:

One Buckhead Plaza, Suite 1250  
3060 Peachtree Road NW  
Atlanta, GA 30305

All employee contact information will remain the same.
